Sir:

In response to the Notice of Allowance, mailed October 26, 2009 (Paper No. 20091019), consideration is requested in view of the remarks set forth below.

Attached is a copy of an IDS which was mailed with the certificate of mailing to the USPTO on June 9, 2006, and date stamped by the OIPE on June 12, 2006. The foreign references and non-patent literature documents submitted with that IDS appear in the Image File Wrapper; however, form 1449 itself does not.

Applicants hereby request that the IDS, originally filed on June 9, 2006, be considered and initialed by the Examiner.
